Employment & Other Experience

Employment

2018–2019	Føtex Nørresundby Over the time of my employment at Føtex Nørresundby, I had a selection of roles: Service employee — My first contract was as a Service employee, with a variety of tasks, primarily the operation of the bottle recycle machine. Cashier Assistant — About a half year after my employment, I was asked to be trained and relocated to a new position, Cahsier Assistant. Bake-Off Sale — When I turned 18 years old, and my contract terminated, I was offered a new position as Bake-Off Salesperson, which was my position up until my resignation.
-----------	--

Other

2021–Now	UNF Game Development Camp I am a volunteer at UNFs Game Development Camp, where I have had the following roles: 2021 Programmings Assistant — Assisting the programming teacher, and helping the campers with any programming related issues they might have. 2021 Logistics Responsible — In charge of handling the logistical requests of the other volunteers, and acquiring said logistics. 2021 Technical Manager — In charge of making sure the campers' equipment is operational, along with introducing them to <code>git</code> , and managing the problems they might have with the technicalities.
2021	Tutor I volunteered as a tutor for the students in 2021, studying Software at Aalborg University.

Sparetime Hobbies/Activities

IT-Tinkering

By IT-tinkering, I refer to my own programming projects/exercises, along with tinkering with my Linux-system on my laptop and the firmware on my self-build keyboard.

Programming youth club

On tuesdays I attend a programming youth club called GameLab, which is managed by UngAalborg.

Physical Activity

I make sure to stay physically active, mainly in the form of strength training in the gym.
